

Landcare Queensland

Members and donors of Landcare Queensland

Please help us to continue to produce resources for Landcare workers by becoming a member of Landcare Queensland. Your membership to Landcare Queensland allows us to continue to support landcare work around the state. We do this by providing:

- a free monthly bulletin with up to date information about grants; resources; training; and promotional opportunities;
- free training and capacity development to community groups around Queensland focusing on partnership development; grant writing; and fundraising; and
- direct support to Landcare networks to help build direct links between community groups and local businesses who might support their work.

We receive no government funding for our work. So, our member and donors program is crucial to our ongoing involvement in supporting the community and helping them access the resources they need to get the job done.

Name

if applying for group membership, please include the name of your group as well as a contact person
